Why did God make mothers?

Answers given by elementary school-age children

Why did God make mothers?

1. She's the only one who knows where the scotch tape is.
2. Mostly to clean the house.
3. To help us out of there when we were getting born.

Why did God give you your mother and not some other mom?

1. We're related.
2. God knew she likes me a lot more than other people's moms like me.

What's the difference between moms and dads?

1. Moms work at work & work at home, & dads just go to work at work.
2. Moms know how to talk to teachers without scaring them.
3. Dads are taller & stronger, but moms have all the real power 'cause that's who you got to ask if you want to sleep over at your friend's. Moms have magic, they make you feel better without medicine.

If you could change one thing about your mom, what would it be?

1. She has this weird thing about me keeping my room clean. I'd get rid of that.
2. I'd make my mom smarter. Then she would know it was my sister who did it and not me.
3. I would like for her to get rid of those invisible eyes on the back of her head.

Happy Mothers Day!
